Academic History

You must list and provide an unofficial transcript for every post-secondary institution you have attended regardless of whether you received a degree. If a degree was received, then it must be printed on the transcript. If no degree conferral is printed on the transcript, then a copy of the original diploma (degree certificate) is needed.

If the documents are not in English, you must upload an English translation certified by the college or university that issued it.

All transcripts and academic documents that are uploaded here are considered unofficial. You must submit official transcripts and/or academic documents if you are admitted and choose to enroll at Georgia Tech or if requested by the Office of Graduate Education. More information on academic documents that we accept [can be found here](#).

FOCUS applicants do not have to provide academic documents as part of the FOCUS application.

Recommendations

You can add up to three letters of recommendation. View the [program webpage](#) to find program-specific requirements.

When adding a recommender, you can immediately send your request by selecting "Send to Recommender" or select "Save" to send at a later date.

- We do not accept recommendations through the Interfolio service.
- After you request the recommendation, you will be able to edit if you need to exclude the recommender for consideration.
- You do not have to wait for recommenders to submit their recommendation before you submit the application.

These are three types of letters of recommendation:

- **Academic.** Select this type of recommendation if you are asking a professor or academic instructor for a letter of recommendation.
- **Professional.** Select this type of recommendation if you are asking a work supervisor, co-worker, work colleague, or non-academic acquaintance for a recommendation.
- **GMAC Common Letter of Recommendation.** Select this type of recommendation if you are utilizing the GMAC Common Letter of Recommendation for your MBA application.
